Who Should Attend

EFA Symposium is designed for serious exchange – not passive listening. If you influence fundraising talent, strategy, or professional development, this conversation concerns you.

- EFA member organisations
- Fundraising education providers
- Certification bodies and programme partners
- International NGOs and charity employers
- Fundraising service providers
- Leaders shaping professional standards in Europe

What to expect

- **What skills will define the next generation of fundraising leaders?**
- **How does professional education translate into measurable income growth?**
- **From certified to effective: what drives fundraising performance?**
- **How will fundraisers learn in an era shaped by technology, data, and changing donor expectations?**

Experienced experts will lead and inspire the audience to active workshops

Bill Stanczykiewicz, The Fundraising School at Indiana University

Giedrė Šopaitė, Baltic Fundraising Hub

Jeanette Eesmann-Foster, Mindwize

Heike Kraack-Tichy, DFRV
